ES8473 MFP

OKI®

A compact Tabloid/A3 color MFP with robust performance and low operating costs

OKI and The Environment

LED Technology Long print head life, high efficiency
ENERGY STAR® Compliant Superior energy efficiency
Duplex (2-Sided) Printing Saves energy and resources
Deep Sleep Mode Lowers power to save energy (≤3W)
Auto Power Off Saves power during periods of non-use
Recyclable Toner and Drum Eliminates disposable waste
Toner Save Mode Extends life of toner cartridges

ES8473 MFP from OKI® – all the productivity features you want, in a compact, environmentally friendly Tabloid/A3 device.

Highlights:

- Print, copy, scan and fax functionality standard
- Small footprint – fits any environment
- Up to 35 ppm/cpm in Color and Mono[1]
- Time to first page as fast as 9.5 seconds[1]
- 7" color, tilting touchscreen display for improved productivity
- Duplex (2-sided) printing standard
- Color scanning with send-to functionality
- 100-sheet duplex reversing automatic document feeder (RADF) – scans both sides
- Prints up to 11.7" x 52" banners, up to 256 gsm
- Wireless LAN connectivity (optional)
- Compatible with mobile printing apps such as AirPrint™, Google Cloud Print™ and the OKI Mobile Print app for Android®
- Encrypted Secure Print ensures document confidentiality
- USB Direct Print
- 1.25 GB memory; 250 GB HDD
- 800 MHz CPU processor
- Easy access to Black toner cartridge
- Job separator/2nd output bin standard
- Convenience stapler standard
- ENERGY STAR® compliant
- Smart Extendable Platform for integration with web-based applications
- Upgradable paper capacity with optional 535-sheet 2nd, 3rd or 4th trays[2]

Everything the small business or small to medium workgroup requires, in a compact size – The ES8473 MFP from OKI combines color printing and copying, color/mono scanning with scan-to capabilities, and analog faxing. All in a compact Tabloid/A3 device that fits in just about any environment—so there's no need to sacrifice space for functionality.

It's available in three basic configurations: the **ES8473 MFP** for desktop use, and floor models **ES8473c MFP** (with convenient storage cabinet) and **ES8473x MFP** (with two additional paper trays). For fewer user interventions, all three can be outfitted with additional paper tray options. (Note: Converting the desktop ES8473 MFP to a floor-standing configuration with additional paper trays requires caster base or cabinet.[2])

This affordable, networked MFP lets you produce professional documents with productivity-boosting speeds. It delivers up to 35 prints or copies per minute—with a time-to-first-page as fast as 9.5 seconds.[1] The ES8473 MFP prints on Tabloid (11" x 17")/A3 (11.69" x 16.53") sheets and banners up to 11.7 x 52", and can handle heavy stock up to 256 gsm—so you can save on outsourced print and copy costs.

Duplex (2-sided) printing/copying comes standard with this MFP, as does a convenience stapler, a job separator/2nd output bin, 1.25 GB of memory, and a 250 GB hard disk drive.

7" color, tilting touchscreen display – To simplify navigation and enhance productivity, all primary functions are simple to access and an alphanumeric keypad lets users enter fax numbers, codes and quantities with a touch.

Diagnostic guidance is readily available via the display, as are customizable Job Macros that let you simplify complex and repetitive tasks. And the display's ergonomic design lets users see the screen's content even when the MFP lid is lifted.

Printing wirelessly and on the go – The networked ES8473 MFP supports cloud/mobile solutions such as Google Cloud Print™, AirPrint™ for Apple iOS and OKI Mobile Print app for Android®, and is also available with an optional Wi-Fi® CERTIFIED™ a/b/g/n wireless LAN.

Sharing files and documents is a snap –

- Place your document on the Tabloid/A3 flatbed platen or in the 100-sheet duplex reversing automatic document feeder (RADF) and scan it in color or black & white to your PC and Mac
- Save and send the electronic version to a folder on your PC, the network or FTP site, as an attachment to an e-mail address, or as a fax
- Use LDAP for direct access to email contacts from an existing directory server, to save time and improve the reliability of document delivery
- Scan a number of different documents and create a single document for output with the Job Build function

The device also offers robust fax features, including Internet (T.37) faxing, one-touch dialing, distinctive ring, and an Auto Delivery feature that routes all incoming faxes to a folder or to specified e-mail addresses.

The ES8473 MFP from OKI: fast, full-featured, easily maintained and bottom line-friendly.
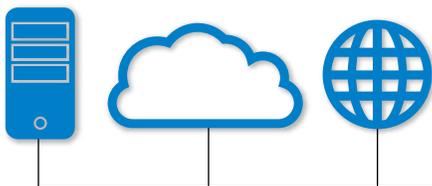

OKI® Smart Extendable Platform – redefining "multifunctional"

This flexible open architecture allows software developers and OKI Solution Partners to create customized solutions that meet specific business needs. Here are examples, using the ES8473 MFP's touch-screen display to:

- Optimize the use of output devices and reduce paper and toner costs company-wide or by department with optional PaperCut MF™.
- Print an exact number of sheet tests on demand, grade tests instantaneously, print reports in minutes, scan documents to specific classroom folders with the optional Remark® Test Grading Solution.

The ES8473 MFP Operator Panel

- Automate your document scan process with barcode workflows, OCR and personalized touch-panel workflows, using optional Drivve | Image software.
- Integrate scanned documents into document management and ECM systems with optional MetaScan XML files.

Easy-to-access functionality: primary features are simple to locate and access

Alphanumeric keypad: enter fax numbers, codes and quantities with a touch

7" backlit LCD touchscreen display: simplifies navigation and enhances user productivity; customizable home screen puts frequently used functions and diagnostic guidance at the user's fingertips for fast, efficient work processes.

Ergonomic design enables users to see screen content even when the MFP's lid is lifted.

This MFP puts productivity-enhancing solutions at your fingertips – and even helps you reduce the costs of doing business.

OKI understands the many challenges confronting the business world. That's why we offer a variety of world-class solutions designed to increase business productivity, while reducing your costs. Our custom solutions offer an effective mix of quality, performance, reliability and value to help you optimize your processes by combining our cutting-edge technology, customized service and unrivaled support.

The ES8473 MFP improves productivity with scan solutions like these:

- **ABBYY® Fine Reader 12 Sprint** is a powerful yet simple document capture system that allows you to quickly establish a cost-efficient process of converting paper to searchable and re-usable electronic documents.

- **SENDYS Explorer LITE** streamlines business processes and saves time. This solution will help companies of any size fulfill their document workflow needs, maximizing efficiencies from capture to distribution. It enables the user to convert documents and distribute or upload them to a chosen location, providing greater flexibility to edit, access, print, retrieve and share files. SENDYS Explorer LITE is available for download at no charge, and optional cloud connectors and premium versions are available for purchase.

As new applications become valuable and available to your business, they can be added to your ES8473 MFP's feature set using embedded OKI Smart Extendable Platform technology.

Specifications

Printer

Print Speed	Up to 35 ppm Color/Mono[1]
Duplex Print Speed	Up to 27 ipm Color/Mono[1]
Time to First Page	As fast as 9.5 seconds[1]
Print Resolution	Up to 1200 x 600 dpi
Processor Speed	800 MHz
Monthly Duty Cycle	Up to 100,000 pages
Recommended Monthly Print Volume	1,000 to 10,000 pages
Emulations	PCL® 5c and PCL 6; PostScript® 3™; PDF (v1.7); XPS; IBM® ProPrinter®; Epson® FX
Operating Systems	Windows® 7; Windows 8, 8.1; Windows Server 2003; Windows Vista®; Windows Server 2008, R2; Windows Server 2012, R2; Linux PPD; Mac® OS 10.6.8 - 10.10
Connectivity	Standard – High-Speed USB v2.0, USB Host (x2); 1 Gigabit Ethernet (10/100/1000 Base-TX); Optional – IEEE802.11 a/b/g/n Wireless
Duplex (2-Sided) Printing	Standard

Copier

Copy Speed	Up to 35 cpm Color/Mono[1]
Duplex Copy Speed	Up to 17 ipm[1]
Time to First Copy	As fast as 10 seconds[1]
Copy Resolution	Up to 600 x 600 dpi
Copy Scaling	25% to 400%
Copy Quantity Selection	1–999
Duplex (2-Sided) Copying	Standard
Copy Functions	ID Copy; Collate; n-Up; Mixed originals; Edge and Center erase

Scanner

Scan Type	Color CIS
Document Input	100-sheet Duplex Reversing Automatic Document Feeder (RADF); Single-sheet flatbed scanner
Scan Speed	ADF – as fast as 1.2 sec./page Color/Mono; Platen – as fast as 2.0 sec./page Color/Mono[1]
Scan Resolution	Up to 600 dpi
Scan-to	Folder (CIFS/FTP/HTTP), E-mail (with LDAP support), USB memory, PDF, Secure PDF, High compression-PDF, S-TIFF/M-TIFF (RAW/G3/G4 Compressed), JPEG, XPS, Scan to computer (with Actkey), Remote Scan. OCR and PDF/A supported with SENDYS Explorer LITE and ABBYY® FineReader 12 Sprint.

Fax

Fax Modem	33.6 kbps Super G3
Connectivity	PSTN, PBX line
Fax Memory	8 MB (approx. 400 pages[3])
Programmable Touch Dials	40 (8 x 5 using Shift key)
Speed Dials	Up to 1000 locations, 32 groups
Fax Functions	On-hook dial; Redial; Fax from PC; Internet Fax (T.37); Auto Fax/Tel switch; Distinctive ring detection; Automatic tray select for Fax print; Block junk Fax; Edge erase; Automated delivery; Duplex scan/print; Fax image preview on touchscreen

Security

Security Features	IP and MAC Filtering, IPSec, Secure and Encrypted Secure Print, SMTP server and POP before SMTP authentication, SSL Security for SMTP Protocol, SNMPv3, SSL/TLS Encryption, Port Change

Memory

Standard/Max RAM	1.25 GB
Storage	250 GB Hard Disk Drive

Wireless LAN (Optional)

Protocols Connectivity	Wi-Fi CERTIFIED™ a/b/g/n; Wi-Fi Protected Setup™
Security	WPA2™ – Enterprise, Personal; EAP Type(s): EAP-TLS, PEAPv0/EAP-MSCHAPv2

Operator Panel

Features	7" color tilting touchscreen display; Alphanumeric keypad; Function buttons

Paper Handling

Standard Capacity	ES8473 MFP/ES8473c MFP – 400 sheets (300 sheet Main Tray + 100- sheet Multipurpose Tray); ES8473x MFP – 1,470 sheets (300 sheet Main Tray + 535-sheet 2nd and 3rd Trays + MPT); All models – 100-sheet RADF
Max Capacity	ES8473 MFP – 2,005 sheets with optional 535-sheet 2nd, 3rd and 4th Trays; ES8473c MFP – 935 sheets with optional 535-sheet 2nd Tray; ES8473x MFP – 2,005 sheets with optional 535-sheet 4th Tray
Paper Sizes	Main Tray: Tabloid (11"x17"), Legal (14" auto/13.5" and 13" manual), Letter, Executive SEF; 535-Sheet Trays: Tabloid, Legal, Letter, Executive SEF; Duplex: Tabloid, Legal, Letter, Executive SEF; Multipurpose Tray: 2.5" x 3.5" up to 11.7" x 52" banner, com-10, com-9, C5, C6, DL and Monarch envelopes; RADF: Tabloid, Legal, Folio, Letter, Statement SEF; Platen Glass: Tabloid, Legal, Folio, Letter, Executive SEF, Statement SEF
Paper Weight	Main Tray/Duplex: 17 lb. bond – 100 lb. vellum (60–220 gsm); 535-Sheet Trays: 17 lb. bond – 65 lb. cover (64–176 gsm); Multipurpose Tray: 17 lb. bond – 140 lb. index (64–256 gsm); RADF: 16 lb. – 32 lb. bond (60–120 gsm)

Finishing

Standard	20-sheet off-line convenience stapler

Environmental

Size (WxDxH)	ES8473 MFP – 22.2" x 23.6" x 27.6" (563mm x 600mm x 700mm) including RADF; ES8473c MFP – 22.2" x 23.6" x 42.4" (563mm x 600mm x 1078mm); ES8473x MFP – 22.2" x 23.6" x 42.4" (563mm x 600mm x 1078mm)
Weight	ES8473 MFP – 141.1 lb. (64 kg); ES8473c MFP – 181.9 lb. (82.5 kg); ES8473x MFP – 190.9 lb. (86.6 kg). Includes all consumables.
Power Consumption (without options)	Off: <0.1W; Deep Sleep: ≤3W; Power Save: ≤30W; Standby: <120W; Average: <850W; Peak: <1400W
ENERGY STAR® Compliance	Yes
ENERGY STAR TEC Value	3.5 kWh
Acoustic Noise	Operating – 54dBA or less; Standby – 37dBA or less
