

DESKTOP MONOCHROME PRINTER

Space Saving Solution for the Mobile Worker

The MX-B427PW desktop monochrome printer delivers crisp, high-quality output with exceptional ease of use. This ultra-compact printer provides customers with a simplified user experience and the confidence of knowing their jobs will come out right the first time, every time. The MX-B427PW is equipped with economical features that reduce energy consumption both while in use and during sleep mode. Offering versatile paper handling and wireless capability right out of the box, the MX-B427PW is the perfect solution for the workplace or home office.

Key Features

- **Ease of Use** – Quick set up with one-step installation process and 2-line LCD display with simple operation keys to control print, power and network settings.
- **Productivity** – Produces high quality, professional output at up to 42 pages per minute, plus standard wireless connectivity enables easy access from mobile devices such as notebook computers, tablets and smartphones.
- **Versatility** – Compact design with flexible paper handling that allows printing on a wide variety of paper through the main paper drawer and bypass tray.

Standard desktop configuration shown.

Easy-to-use 2-line LCD panel.

Built-in wireless connectivity.

Ultra-compact design with versatile paper handling for virtually any size office.

- Productive printing speeds of up to **42 pages per minute**.
- Easy-to-use **2-line LCD** operation panel.
- Supports **letter and legal size paper** through the standard paper drawer and bypass tray.
- **Compact design** easily fits into small spaces in desktop or console configurations.
- Standard automatic **two-sided** printing.
- Offers up to **three paper sources** with available 900-sheet maximum paper capacity.
- **Supports popular mobile technologies**, enabling users to easily print files from smartphones, tablets and notebook computers.
- **Sharp Remote Device Manager*** (SRDM) allows administrators to have centralized control of their networked printers in order to simplify installation and management.
- Standard **Confidential Print** feature helps ensure output security via simple PIN.
- **600 x 600 dpi** printing delivers clear, crisp images and text page after page
- Standard **PCL® 6 and PostScript® 3™** compatible printing capability.
- **100-sheet bypass tray** for envelopes, heavy paper and specialty media.

*Some SRDM features are not available. Contact your Sharp representative for availability and details.

MX-B427PW SPECIFICATIONS
